THANK YOU DOROTHY

LOOKS LIKE THE BASSES ARE NOT SINGING THE CORRECT NOTES.

THANKS..... We do appreciate your help in being our accompanist and as last week leading the choir . Thank you.

THE TRAILER HAS BEEN SOLD

Trailer is gone.....Last week I received several phone calls from Universal motors that they have been able to sell the trailer. Unfortunately at a lower price of \$700 only, which is not what we had hoped for. I contacted President John and shared the information with him, and the alternative would be to collect the trailer and bring it back to the Wittwer's shed. We have stored the trailer at our shed for over 3 years and we need to use the space for our needs. Dorothy emailed me with information that she said that with depreciation over 10 years we would be "lucky" to receive any significant price. The Universal Motors spokesperson mentioned that the design of the Trailer did not lend itself for a sale.
