## SOLO PERFORMERS FOR 2021 With Adjudicators Darrel Schutz, and Penelope Bruce

**Solo Performers .....** This afternoon was held in May 2021, on a Sunday afternoon. The new innovation that Paul arranged for the Solo Performers was a resounding success. Six men were involved providing the audience a range of songs that gave a range of style, and interest to everyone. Thanks everyone for your participation and to Paul for your role in managing this afternoon. Well done everyone.

**Pasties...** With the interruptions of the COVID restrictions, and the limited staff to make the Pasties the making and collecting of the Pasties have been on hold. Mavis Lienert has been keen to have the pasties made for us and she has arranged for them to be completed this morning so that we can pick them up tonight. Thanks Mavis.

**Dorothy's surgery has been successful.**

**She is recovering slowly taking just a few steps a day at the Hove rehabilitation, centre.**

**Her Physiotherapist is providing her with a range of exercises to assist her to manage small steps at a time so that she is equipped to return home. We all wish you well Dorothy, take time to get strength back into your knee so that life provides a new lease of life for you.**

**Scholarships.....** On Tuesday 10th August the Pfeiffer Family Memorial Instrumental Scholarships were held. Six gifted Musicians provided a memorable evening where the Piano (recently tuned) provided a range of pieces with several being of exceptional high standard. The Onkaparinga Lions the supporter of the Scholarship were in attendance and enjoyed the music and were involved with J Minchin in presenting each applicants with a voucher from Size Music and Harrison Music, Adelaide. We will be sending to the participants this week, the results, the critique from the adjudicators, and a photo of the presentations. Thanks to Peter Dickinson and Ashley Jocks for adjudicating for us.
