**Welcome again**

#### **From the Exec meeting.....**

*We had a full attendance of Exec members plus Alex, where we focused on preparing suggestions to be brought to the notice of members for the AGM. The cost of a concert will need to be higher than \$275 as we cannot continue to function at this price, and the subscriptions were discussed where the price for subs could be increased to \$75 or \$100.*

*We will need to relook at how we can balance our costs with the receipts. Can we support various functions for club members and their wives and partners? Can we support the supply of jackets? We need to look at the costs of concerts so that we do not run at a loss. We also need to sell the trailer to assist our funds. Full details will be included in the Book of Reports 2023.*

*Ideas.....Several items were raised to be included in the next Exec meeting. The need to encourage new members how can we do this? The Tanunda Liedertafle has changed from a Male choir to include women voices. Do we need to do the same? Another matter is how we can manage our Incentive Saver to assist the club.*

*Sponsorship..... This item was discussed by the Exec meeting with the understanding that we may gain some help, but it is better for us to raise the cost for concerts, or to receive a share of the takings at a concert. We will be following this through, with suggestions to be made at the AGM. We as a Fund Raising committee could see that we need to make a new approach to our finance management. A sponsorship portfolio and accompanying letter have been prepared so that if you can help, by visiting businesses you feel could support us, it would be appreciated. We have already received \$6,000 from Hughes Construction to assist us this year. Thank you.*
