**Badge draft for you**

Remember "Busy Bee" BBQ this Saturday at Graham's. We need to know how many are coming tonight, for meat order. There will be damper with cockroaches and ants to eat?

**The Badge details.....** The copy shown in the Newsletter does not give a clear colour of what has been sent. A copy of the colours has been placed on the notice board, and will be shared with you. The colours are equivalent to the club badge as shown on the Newsletter. The wording that has been provided needs to be discussed and agreed that be the design for the badge.

**The cost...** The cost per badge is \$9.23 ea with additional cost for GST plus additional \$2.00 for the Magnetic fitting and additional \$2.27 ea. for Clear Glaze coating. This would expand the cost per unit to approx. \$14.50. Do we order 50 badges to have several badges to give to Chor Farmer if they return next year, or do we order sufficient to sell to all our club members. If we have 28 badges made the club would need to pay approx. \$420 with an additional cost \$80 plus GST for the Set up fee. Can we agree that each member pays, may be \$10 ea for a badge, this would allay some of the cost. The badges could be worn on our uniform especially as this year is the 145th year. If Chor Farmer are coming we could purchase further badges to give to them if and when they come. What is your opinion?

**Bus to Kingston SE ...** We are finding out the cost of hiring a small bus to Kingston SE. We have received 2 quotes from places in Adelaide for a vehicle that Alex has offered to drive. At the moment I would like to obtain a quote from Des Mini buses, a local company, before we provide you with further information. From the information I have received the cost appears to be reasonable if we have our own driver. I hope to have all the information for you by next week.

**See Graham...** If you would like to purchase a Jacket we have 3 Jackets available. Cost of \$50 ea. Thanks Graham for your effort in arranging for the purchase, and the sale of the tops.

**Fund Raising cont....** Financial situation for the month of April, (the May bank statement has not been received). The Auditors report was distributed to all the Exec committee. Expenses for the speakers coming from the Incentive Saver fund.

**From the Exec meeting.....** This meeting worked through the reports, Finance, Concert Planning, Scholarship planning, Fund Raising. The correspondence covered the report from Paul from the Solo Performance, and the suggestions he gave, these were discussed. The PA system was explained by Chris and the decision was made to accept the offer made from Josh Boxer to purchase equipment at a reduced price, and our need to purchase 2 new speakers and microphones. It was decided to purchase the list as presented with the cost being approx. \$2,000. Scholarship information has been sent to the 16 Schools, with emails sent to Heads of Music. Concert planning for next year is in progress with Nildottie booking us for September 15th.

**Coffee & Soup Roster....** So far we have raised \$370.10. On the 20th June the "Chefs" are Jeff Gerrard and Peter Geue. July 4th Stephen Hosking and John Herbig will be the "Chefs". Thank you for your assistance.

**Fund Raising....** This Saturday 17th June the Fund Raising committee is holding a "Busy bee" to split the Trailer load of wood that has been cut recently at Stephen's place. Graham has offered to use his mechanical splitter to do some of the work, but we still need some help to reload the pieces back on the trailer, plus a few people to help with the BBQ, and a few people to be the "Chief Organisers" on the day. If you wish to help, bring yourselves and a salad to be shared for the BBQ. A donation for the meat would be appreciated. To get to Graham's place just ask Graham. We hope to see you on Saturday 11am. Thanks
