Treasurers report..... At our last Exec meeting we discussed the Financial Report for 2023 and we discussed how we can manage our finances differently without any conclusive direction at that meeting. I felt as Treasurer I needed to prepare several changes of direction that we need to consider, I have headed them as Suggestion 1, 2, 3, 4, 5. Please read through these carefully so that we can make suggestions so that we can help the club to manage financially.
