### **HELP REQUIRED.....**

On Thursday June 21st at 4pm at St Michaels church we need at least 4 people to load at least 18 aluminium blocks on to Chris Browning's trailer, 2 people at St Paul's (on the Main Street) to load blocks on to Witt's ute, and then at 4:30pm at the Old Mill at least 3 to assist Manfred in setting up the PA system. If you can help will be appreciated. On Friday at 2pm we require at least 3 or 4 people to help with the History display, and then when the tables are completed to place serviettes, programs, and signs on the tables. Friday evening several members to sell People's Choice raffle books as people assemble, then several men to help chaperone people to their seats as shown per club. On Friday after the Concert we will need 3 or 4 members to dismantle the History display. On Saturday at 10pm at least 6 men to help load the trailer with the PA system, and the Trailer and Ute with the blocks to be returned to St Michael's and to St Paul's. .

sound check for us, 6:00pm with the other choirs.  
The 140th celebration on the 22nd June is FULLY BOOKED with over 300 people who wish to come. Manfred, Peter, Ross and myself have made a check of the stage and PA system that we will need for the Concert, and Dorothy has arranged to have the Grand Piano to be tuned. Alan and Peter worked to have the overall planning to be carefully and smoothly arranged without any hitches.

Help will be needed to set the stage and PA on Thursday 21st June from 5pm or earlier to bring aluminum blocks to the Old Mill and to set them up in place. If you can help please let Alan, or Peter know.

I have spoken Peter Fenton from APRA and we have been given the OK to copy the pieces that were sent to them for approval. The cost for this has been \$126.50 which covers all the costs we need to pay. This means we could copy 300 copies of a CD with those pieces which Ross had mentioned. We have been given the OK to make copies of those pieces at \$10 a copy. Further information will be shared with you.
