### **YES YES YES!!!!!!!**

Last Friday I was invited to attend the Lobethal Centennial Hall committee meeting to discuss the placement for the Defibrillator with the committee. They all voted YES to have the Defibrillator placed on the wall outside the Senior Citizens Hall (near where they hold their BBQ's every Christmas). It will be in a well lit area. I have contacted Henry Cowell from St John's to purchase the machine, and he will make final arrangements with the Centennial Hall committee for the placement, and he will be contacting me when we can arrange on a Tuesday to have a demonstration for us all to understand how to use the equipment, we will be inviting some of the organizations to come to the demonstration as well.

Coffee, including Decaf Coffee, Tea, Milo Milk and Sugar. The biscuits and "Goodies" are left to the "wisdom" of the Hosts.

Gerry has indicated that it would be good to continue with our practices during October so that we could learn several new songs for next years program. Our final practise will be held on Tuesday Nov 6th **End of Year Dinner** this evening will be discussed at the next Exec meeting next week, where there are several ideas have been given. Do we need to hold this, after the excellent night we shared with Chor

Farmer? Do we just have an evening where we can relax at a venue without a great deal of preparation? Could this be held at the Bierhaus on a Wednesday maybe Nov 14th, where the Club pays most of the cost of the meal? Or do we hold a function at the beginning of next year where the same principle of support through Club funds for an evening meal where we can enjoy the "commorarderie" of members with their wives /partners.

This will be discussed by the Exec, and then the club can vote to make a decision on what we can arrange.

### **Guesstimate....**

You may remember several weeks ago I prepared a Guesstimate for the Chor Farmer involvement, I have prepared an actual cost for this occasion that you can view. We have been fairly close to the estimates .on most occasions.

### **Thanks to our Major Sponsor**

We are continuing to work with the Company to have their adverts included in our Concert presentation.

#### **Concert planning committee.....**

We had an excellent meeting where we have set in place several occasions where the club will be engaged for 2019. Possibly on Australia Day 26th January at Adelaide Hills ceremony at the front of the

Stirling Library, Anzac day April 25th at Lobethal, Concert at Crystal Brook on 24th March. **18th May at Kadina Uniting church has now been confirmed.** Several places were discussed Laura, Murray Bridge at Holy Cross, St Andrews at Strathalbyn, and the Uniting Church at Marion all have been approached with follow up required. Luke will approach South Kilkerran, As a committee we realize that we should limit ourselves to approx 8 concerts next year without any Aged Care involvement.

There could still be a concert at Kingston SE Uniting church and through Angela Lowe a concert with some representatives of the SA Police Band to be involved as well. This will be checked when we have answers to the other places that we have approached. If you have any suggestions please let us know. Thanks to all the members of the committee for their help.

**Katsutoshi comment....**We returned home safely on the evening of 17th September. Tour Leader Shuichi Minoda went back to his home in Lightning Ridge Australia. I am sincerely grateful for your hospitality. We enjoyed the performance in many audiences, and we had a very wonderful concert in Lobethal. We were able to exchange more deeply during our stay. We end all of the schedule in your thanks. This tour was a great success.

Please give our best regards to the member of the Lobethal Harmony Club.

Warmest regards Katsutoshi Fushimi CHOR FARMER.

**Thank you.....**The effort that everyone gave to the Chor Farmer activity and to the following Concerts has been appreciated as we all needed to team together to make this time a memorable activity we shared. Once again THANK YOU for the making the experience we shared with Chor Farmer, the choir at Naracoorte, and the people from Keith..

#### **Chor Farmer review....**

The Exec members mentioned several details that should be remembered in the future were: a clear understanding where the Bus will be at the airport, the photographer should not hinder the flow of the Concert, the Scholarship winners involvement needs further planning, reserve seating, 2 outlets for Coffee and Tea at supper. These matters will be discussed in the future when planning this activity. Despite the few "Hic Ups" we did enjoy a very happy 3 days. Thank You.
