**SACCA (South Australian Choral Association) invites you to attend a Concert provided by Adelaide Plains Male voice choir on Sunday March 31st 2pm at Eudunda Lutheran Church to HELP farmers**

Dear Friends.

Our choir members are inviting you to be part of the audience at the Eudunda Lutheran Church on Sunday March 31st at 2.00 p.m. when we are providing a drought benefit concert for households in the Eudunda east area

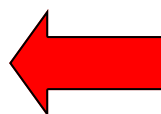

While the drought affected many areas of Australia, many who have travelled interstate have told us that they saw nothing worse than this area No crops were reapt and no hay was made on these farms.

Murray Sauer, who knows the area and the people really well took me (Don) to drive through the area and it was quite an eye-opener to see where crops were sown that came to nothing. With ongoing costs and the cost of living for these households, they will get nothing from their farms until next harvest.

Our choir is not charging, nor are the guest artists, nor the church, so that all the income from this concert will be shared between these households. Even if you are not keen on male voice singing, could you come and fill the audience so that these people can be helped. Admission will be \$15 with children under 15 free.

If you wish to help by travelling or a donation please see J Wittwer phone 83881931 or 0407 079 109
