We received an email and a letter from Chor Farmer…..
The letter we received mentioned the following: "Thank you once again for making our concert tour last October a great success. We are deeply moved by this and are now thinking about our next tour plans. I am writing to ask for your thoughts. We are thinking of scheduling the tour roughly the same as last time, but what do you think? We will decide on the details by the end of June and let you know in early July. We will do our best to ensure that this wonderful exchange continues for many years to come.
From Katsutoshi." After Oct 12th would suit the school for Chor Farmer to interact with the children. Please help TONIGHT please.
