22nd Goodwill Tour, provided the opportunity to share the friendship we can enjoy again. This year we continued to involve young people from the Lobethal Lutheran school to be a part of our celebrations. All Goodwill tours provide the opportunity to involve the next generation of young people, and we incorporated this at Lobethal.

Bird Bath ready for use…….Esther, a school captain of the Lobethal Lutheran school, gave up part of her school holidays to join us together with Chor Farmer, to pour water into the bird bath. Thanks to everyone for managing this, it did provide some smiles and laughter. I am sure the birds will enjoy the opportunity to have a drink or bath in the bowl. The trees are close by to allow them to use the bird bath with close trees for protection. Shane Hein from Cornerstone college will incorporate the automatic watering system to keep the bird bath filled with water. Thanks Shane for your expert management.

Chor Farmer…We have paid our accounts for the costs namely Catering, Hire of the Church, and Captain Proud. Chor Farmer paid for the Hire of the Piano and Coach.
