SAD NEWS.... *Kiyoshi Tajima a member of Chor Farmer has died. He was suffering with his work, and took his life. Our thoughts have been sent to Katsutoshi. We may discuss if we can help in any way for his wife and daughter. I sent emails to Kiyoshi on several occasions and he always sent greetings to everyone at Lobethal Harmony club.*

Our condolences....*We all extend our condolences, and thoughts as a club to Dorothy. Paul was a excellent First Tenor who always gave of his best to the Lobethal Harmony club. Through his enthusiasm the Solo performances was renewed to become a special event that we enjoy each year, and it was good to see Paul at the last Solo Performance last year, when the afternoon was held where members shared their talent, to provide us with a very enjoyable afternoon. This event will be a part of our program due to Paul's effort.*
Our thoughts are with you Dorothy.

Our condolences….

We all extend our condolences, and thoughts as a club to Alan & Anne Thompson.
Who lost their son- in- law through an accident on the farm owned by Tim Noske. A large crowd of over 600 people attended the service held at Kleeman's Funeral parlor to extend their condolences to the family. Tim was the local butcher at Hahndorf, and I always purchased our sausages from him when we held a BBQ at Bunnings. He was always thoughtful of others. Our thoughts are also with his wife Sally and their 2 girls.

Thoughts for Gerry….We are all concerned for Gerry who is in respite at Strathalbyn. He has not been well since before Christmas, and his health has limited him in what he can do. Several club members have visited him, and extended their best wishes to him. Unfortunately he is not well, and we all wish him well as he continues his day by day activities at the Strathalbyn respite centre.

Thoughts for Stephen…..After Peter Dickason had received a phone call from Chesser Chemicals where Stephen works as an Industrial chemist, that Stephen had not arrived at work for several days, he rang Graham and Fred who then travelled to his shed at Tungkilo. They found him on the ground dehydrated lapsing in and out of consciousness. They arranged for an ambulance to come and take him to RAH. He was there for 6 days and then transferred to Angaston Hospital for respite. Graham Fred and I travelled to Angaston to visit him, and assured him that we cared for him, and Stephen gave us permission to contact his son, he had 5 daughters as well. Stephen has endured many sad situations of losing his second wife, his burnt home at Gumeracha, and being on his own in a shed at Tungkillo. He is now improving and I managed to contact his son Michael and Stephnie and I met with them last Saturday. We enjoyed a good "chat" with them before they saw Stephen, and I hope that now his family will assist in organizing his affairs. Stephen's phone number is 0439 050 039. I am sure he would enjoy some contact, just be prepared he may not have his hearing aids in, so you may need to repeat yourself.
