Vol 3 No 26

WOW!!!!!

This was a special occasion where we could reflect on when the first members established the Lobethal Harmony Club in 1878. It was fitting to include the Chor Farmer choir as they too celebrated their 50th year. We do not have many opportunities to celebrate 140th of a club, but this year has been very special to us all. Thank you for making this day a MEMORABLE TIME for us all as we said THANK YOU to the first men who formed the Lobethal Harmony Club. It was a team effort. Thank you.

NO PRACTICE

*Please note that after our involvement at Keith and Naracoorte, we could have a "break" of a week as numerous people have been very involved with hosting, or managing the Chor Farmer activities need a week where they can just sit back and relax. **Our next practice will be on 2nd Oct at 7:30pm in the Senior Citizens Hall**, with the Supper being provided by Fred, and Bruce. Coffee, including Decaf Coffee, Tea, Milo Milk and Sugar. The biscuits and "Goodies" are left to the "wisdom" of the Hosts. Gerry has indicated that it would be good to continue with our practices during October so that we could learn several new songs for next years program.*

Guesstimate….

You may remember several weeks ago I prepared a Guesstimate for the Chor Farmer involvement, I will work through the accounts and prepare a comparison for you in the near future.

Several places were discussed Laura, Murray Bridge at Holy Cross, St Andrews at Strathalbyn, and the Uniting Church at Marion all have been approached with follow up required. Luke our new member will approach South Kilkerran, As a committee we realize that we should limit ourselves to approx 8 concerts next year without any Aged Care involvement.
There could still be a concert at Kingston SE Uniting church this will be checked when we have answers to the other places that we have approached. If you have any suggestions please let us know. Thanks to all the members of the committee for their help.
