Vol 4 No 2

Tonight we welcome Malcolm and Jan Kentish into the Lobethal Harmony Club. Malcolm has been with us for 6 weeks and he is a very good second bass. *Hooray for the basses.*
Both Malcolm and Jan have close connections with the South East of South Australia where Malcolm's Grand father who was a Baptist minister from Gumercaha moved to the Sth East and developed a farm which Malcolm's father and Uncle developed over numerous years. During World War 1 they grew over 1,000 acres of Potatoes. Malcolm continued in their footsteps, until the monopoly of selling potatoes became controlled by the supermarkets. He retired to Robe for 30 years, and then moved to Hahndorf as their children (4) moved to the Hills. Malcolm is Chairman of the Community Assoc of Hahndorf, Chair of the
Probus club at Aldgate. Jan has a wide interest in the Hahndorf community. ***Welcome to both of you.***

Good morning gentlemen,
While there is a lull in proceedings I thought I would drop you all a quick line. The rural backdrop of Tarrington, about 9km from Hamilton, is quiet but the school is a hum of activity- friendly children and parents, and very welcoming. My house/accommodation at Tabor (a further 12km down the road) is even quieter- neighbours are the church, the pastor and family, the cemetery, and the occasional cow eating the apples and leaves off my apple tree over the back fence.
School has begun well, very busy as all schools are, with lots of new names, routines and expectations to learn.
I have had one practice with the Tabor Men's Choir-no excuse, they practice in the hall 70 metres from my back door—and hope to as the year progresses and my program allows. Even if I don't perform with them I need to keep up the practice so I am not a burden for Darrol and the first bases when I return!
Hope all is going well back yonder Keep on warbling—I want to hear you from here.
