Concert in September…. ***This has not been finalized. Peter Dickason (Sec) is prepared to check if we could hold a concert at Southern Cross Retirement village Mt Barker. Hopefully we will have an answer when Peter returns from his trip to Japan.***

Future Concert Planning committee ***The committee agreed that a survey be taken from the club members to obtain your opinions on the number of concerts, places they may know that could be contacted, their opinion of car pooling, and the timing of the concerts. Help with your ideas would be appreciated. Thank you. Please find the Survey attached to this Newsletter. Please have the survey completed by the 28th April.***

Murray Bridge Uniting church concert….This has been scheduled for Sunday 17th May beginning at 2 pm. We will have our normal check beforehand beginning at 1pm at the church. Last week Peter Geue has taken posters, flyers and tickets to give to Rose Simmons who is the manager of the concert. Raylene has organised one of the Scholarship winners to perform on that Sunday. Raising money for chaplaincy in schools.

Planning for our Website….From the discussion given at the Future Concert Planning committee meeting the suggestion has been raised that we need to update several parts of our website to assist with the planning of concerts. This has been emphasized when Fullarton Homes were contacted and the person straight away went to our website to find out about us. The committee felt it would be an advantage for us to invite Meg Turnbull to help us with updating information for our website .
