Mt Barker Christmas Pageant….
Thanks to everyone who assisted in making the float for the Mt Barker Pageant a success. Our message was clear to everyone that the Lobethal Harmony club is "alive" and is still requiring new members . Thanks to Sue Hughes for allowing us to use one of the trucks and to Kym Gladigau for driving the truck for us. His dog "Trixie" was a hit as the pageant string of floats went through the streets with her head out of the window capturing comments by the large audience.

Birdwood United Concert…I managed to contact Pastor Daniel at Birdwood United church last Friday and he said the Committee discussed our possible concert and they all agreed to hold the concert on Sunday June 28th. I will be visiting them on Fri 20th Feb to make arrangements.

Peter and Alex… Are meeting with Meg (the lady who has updated our website) and are planning to help her to add further information that can be included so that our website is vibrant. Perhaps we need to advertise ourselves for concerts on our website as well.

Welcome again

Possible "Sing-a-long" ...*When discussing the possibility of singing at various venues during February and March with Alex last Tuesday he suggested to make a time when other choirs could become involved as well. This matter will be discussed further so that we can reach out to communities to add to our new members for the choir. More details to come.*

Welcome to 3 new members....*It was refreshing to have 3 new singers who were at our first practice for the year. You all are welcome and we hope you can become a part of the club and enjoy singing. More details about each "new member" will be shared through the Newsletter. We still need more members.*

WELCOME TO ANY NEW MEMBERS

Payment for Scholarships...*As you are aware we are able to give Scholarships for young people through the gifts from the Onkaparinga Lions and the Mt Barker Rotary club of $2,000 each year. Recently I paid Sierra Engler the Vocalist for $1,000 for her fees, and she is happy to join us at several of our concerts this year.*

Idea for Casual wear...*We have our normal Blazer, tie, that we wear for our concerts. But we are planning numerous more "casual" sing-a-longs where the "formal" uniform is not appropriate. This is when the idea of a more casual type of shirt without the blazer was suggested. Dorothy did some checking of types of shirts that could be looked at. The Executive has had a brief discussion about this and at the next Exec meeting they will discuss this casual wear for further ideas. .*

Next Exec meeting....*Is to be held on Tuesday 17th at 6pm.*

Planning for the future...*We need to look at what can we do to help the Lobethal Harmony club continue. We will need people to assist with the positions of Chairman, Vice Chairman, Future Concert Planning and could be other positions that will be enlarged on in the Book of Reports prior to the AGM. If you could assist, or you would like to have a "chat" about these positions please see Peter Dickason (Sec) or J Wittwer*
