Greetings
We received this email and greetings from Chor Farmer prior to Christmas. We have also received information when they are planning to visit us again this year, on Tuesday 13th Oct to Friday Oct 16th. Further information to come.

Thanks for the Support .....Despite the Hot evening on 23rd Jan we were able to provide a good number of choir members to give the AHC Awards evening a touch of class. Thanks to everyone. Concert Program for '26.. A draft copy of the '26 Concert Program has been prepared for you, the Concert Planning committee has to discuss it and Alex will then work through it.

LOBETHAL HARMONY CLUB
3rd FEBRUARY 2026
Welcome again
Vol 11 No 1 page 2

OUR CLUB……We all enjoy singing and the friendship we share each week. To keep this "spirit" going we will need to plan to have a new member to take on role as President. This is an important role to take, but we as a club know that WE TOGETHER can help each other to manage the position by encouragement and mapping out what needs to be worked through and giving the person the freedom to add their ideas. Can YOU help so that TOGETHER we can continue to keep the Lobethal Harmony club to function as a Male voice choir.

WELCOME TO ANY NEW MEMBERS

This Year…On Saturday Feb 21st we are planning to hold our first of several "promotion" activities at various venues where we will sing a song possibly "Wellerman" and encourage others to sing along with the da,da,da,da section of the song. After we would, as a group, hand out invitations to join us at an activity (possibly a BBQ) and sing several other songs where they could hear us and join in. We will plan several of these activities during Feb and March. We need you to consider being able to help.

Refreshments after the End of Year Concert…..Thanks to everyone who contributed in preparing the food for all who attended the afternoon. The glass of refreshment with the food was really enjoyed. Perhaps this year we could increase our ticket to $30 with the refreshments included. What do you think???

The Haus…Have agreed to sponsor every year for $300. I have persisted and have received a positive response due to seeing those involved, "face to face".

Chor Farmer….I have received an email from Katsutoshi over the Christmas break and he has sent a copy of their itinerary for their visit in October. The ideas I have expressed in the Concert Planning program are just a possibility, the committee to discuss the Chor Farmer arrangements need to be formed and then we can share the information for their visit.
