HAPPY BIRTHDAY ALEX
49 YEARS YOUNG

Wow! Wow! He never looks older than a refreshing 25 years; he must use some extra singing notion that refreshers his appearance. Seriously Alex, we are indebted to you for keeping us all inspired as a happy bunch of singers who enjoy saying " How are you", "Hey You", and for developing our awareness of singing. We have enjoyed knowing that every piece we sing is NOT JUST THE NOTES it is to give the message in the words to the piece being sung (a meaningful interpretation) so that everyone can hear the distinct harmonies, as well as the story being conveyed through the singing of the piece. Alex you have helped all of us soooooooooooooooooooo much and we are so thankful that you can make our practice a real experience to enjoy. Enjoy your Birthday and keep on smiling. Hip! Hip! Hip! Hoooooooooooooooray!
